Claims 42 and 44 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Applicant has rewritten claim 42 in substantially the same form as new claim 49 and rewritten claim 44 in substantially the same form as new claim 50. Applicant therefore requests allowance of new claims 49-50.

Having addressed all issues set out in the Final Office Action, Applicant respectfully submits that the claims are in condition for allowance and respectfully requests allowance of the claims.

Respectfully submitted,
